FOREVER & EVER
FLOOR RECYCLING PROGRAM

WHAT IS NFD'S FOREVER & EVER PROGRAM?

Industry's leading vinyl take-back scheme for recycling end of life post-consumer vinyl flooring founded and funded by National Flooring Distributors. Through Forever & Ever, NFD can recycle smooth uplifted flooring and old stock. The material is recovered, delivered to our retail partners and put back into the community through different organizations.

HELP US REACH OUR GOAL!

We aim to collect 10 tonnes this year!
This volume equals to nearly 175,200m² which is enough vinyl flooring waste to cover 22 cricket fields. That's a saving of over 330 tonnes of CO².

Thanks for recycling!

WHAT IS ACCEPTABLE FOR RECYCLING?

- Post installation, clean vinyl off-cuts
- Old stock & small batches
- Smooth uplifted flooring
(depending on condition & quality)

WHAT ISN'T:

- Flooring containing asbestos
- Floors from buildings constructed prior to 1990
- Burnt tiles
- Wet, moldy or weathered flooring
- Wood and laminate flooring
- Product containing concrete/floor prep on backing
- Non NFD products

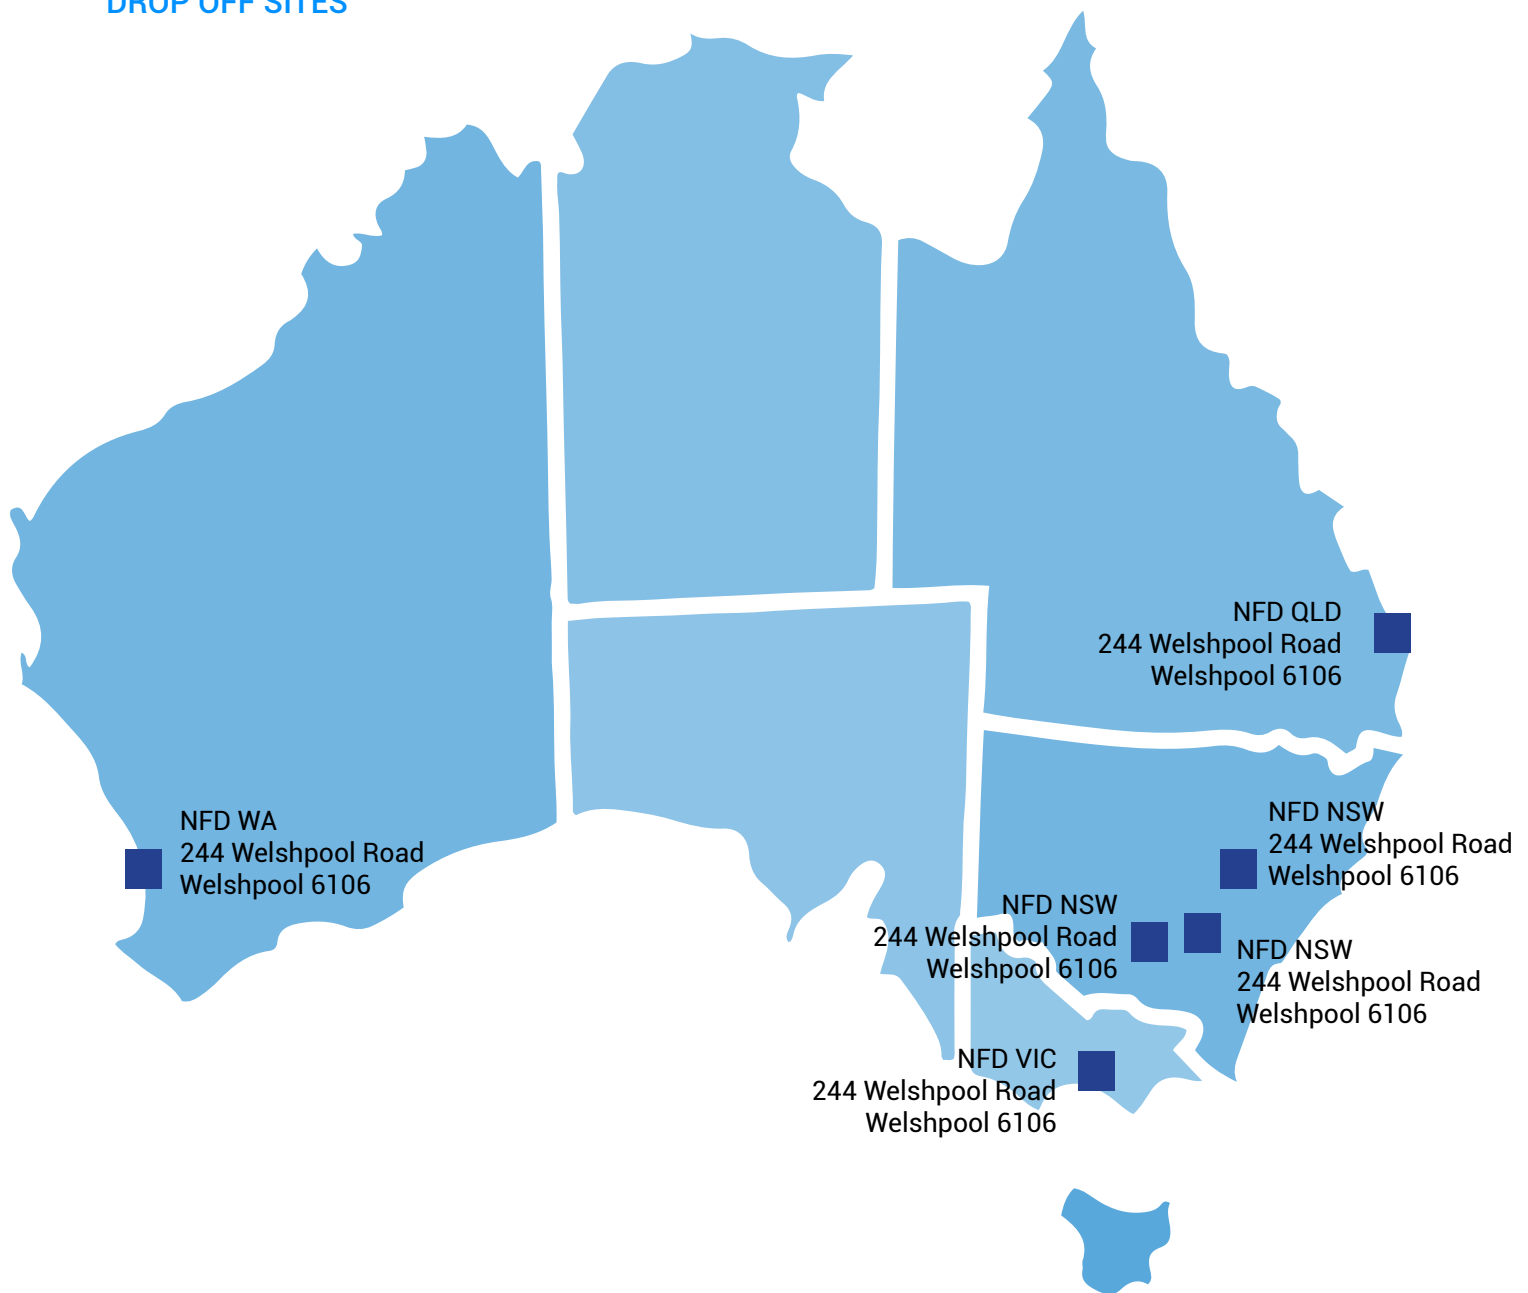

Thanks for recycling!

HOW IS THE VINYL FLOORING COLLECTED?

Any consumer, retailer or installer can uplift a stack onto a pallet. Drop the pallet off at any of our drop zones in each capital city. From there we do the rest. We deliver the vinyl to our retail partners who either resell or donate to local charities.
